Berlin, Ont. Nov. 15th. 1915.

Sir:-

This is to thank you for your favor of the 15th. inst. inclosing application from the man marginally referred to and I am very glad to assure you that we can find good use for a man of his experience and abilities. Under Surgeon Capt. Walters there will be a Stretcher-Bearer Corps with a Sergeant in charge and a man with experience will certainly fit in here very nicely.

Mr.Lilley may accordingly immediately enlist in Berlin or within a very few days facilities will be afforded for enlisting in Waterloo. The first squad in Waterloo will very likely be under the immediate care of Lieut. Frank Rooney with Capt. Cunningham over-seeing. Arrangements will also shortly be made for medical examination at Waterloo. You will accordingly be good enough to communicate this information to Mr.Lilley and be sure to secure him for our Battalion.

Faithfully yours,

Acknowledging your recent application, beg to state that we have already located a man to fill the position for which you apply. Consequently we cannot offer you any better position than that which you already occupy and, in any event, it probably would be very difficult to effect your transfer from the 70th.

Intelligence Department.
#751434, Sergt. W. W. Eccles,
118th O.S.Battalion, C.E.F.

Sir ;

I have the honour to advise that the N.C.O. marginally named has requested me to make application for him to be transferred to the Intelligence Department in any capacity that he may be used.

This N.C.O., 34 years of age, married and is an Englishman by birth. He has spent several years on the Continent of Europe - in Germany, France and Belgium in a Commercial capacity and is able to converse and read and write in the language of these countries.

He is at present employed as a clerk in the Battalion Orderly Room and as such has given every satisfaction. He is thoroughly reliable and painstaking and is of a reserved disposition.

In making this recommendation, I have the interests of Service at heart and feel that this N.C.O. could be much more profitably employed in the Service of his country in the Intelligence Department than in the trenches.

I have the honour to be,

Sir,

Your obedient servant,

Lieut. Col.

No. 751432, Sapper THAMER, Owen,

Sir:

When home in Kitchener on Christmas leave, the soldier marginally named, transferred from the 118th O.S. Battalion to your Unit, interviewed me re the possibility of his securing a commission and expressed a desire for me to write you.

In this connection, I have the honour to advise that his record with my Signalling Section was a creditable one. Again, prior to enlistment, he held a responsible position with the Bell Telephone Co. and, in my opinion, will make good in any position, particularly requiring skill along his particular line.

He is possessed of better than average initiative and has plenty of ambition, although I am not in a position to speak with assurance as to his ability to lead and command men.

He springs from a good family, is of absolutely good character and will undoubtedly be most conscientious in discharging any duty.

I, therefore, hope that you will grant him any justifiable preferment - a commission if possible.

I have the honour to be,

Sir,

Your obedient servant,

Lieut.-Col.
