Dear Sir

will let you know
that a young man
at the military school
London ont is planning
to run away and
his mother don't
want him to be
cause he goes with
a girl in Kitchner
family Berlin and
the young man is
from Berlin his
name is Burt ~~French~~
Hume and a man

has skipet last
 spring some time
 and he was hear
 to my house and
 played such a dirty
 trick on us
 so i get back this
 man name is
 attack Laurentz and
 he sent Burt
 prunce the money
 to come over
 so last night
 this Laurentz got a
 letter from
 Burt prunce and
 telling him when

he is going to
 leave London
 that the train
 that he is going
 to take is leaving
 London Station
 at 5.35 PM and
 he is coming
 with a T.R. to
 Windsor and this
 attack Laurentz is
 a runaway shareholder
 to and he is
 going to me
 Burt prunce at
 Windsor then
 they want to come

4

across with the
ferric to Detroit
so if you are smart
you can catch 2
birds with one
stone and Burt
Truce wants an
answer back right
away so you can
probably find out
which he is coming
but he got in
his last night's
letter he love

the best way is
let him come
to Windsor then

you. can get a lack
having to despise
yourself and go
on the same
train and watch
him so i hope
you saw that
boy as his mother
dont want him
to go with that
girl she is coming
over to them.
they want to get
married so this
is all hop you
